

Yakima Parks and Recreation would like to give you an update on the 2020 Summer Softball season. We do feel it is important as a department to try and bring some hope and normalcy during these very trying times to the citizens of the Yakima Valley. Based on the Governor's Phased Reopening Plan, we would be able to offer softball leagues once our county enters into Phase 3. Our hope is that we will still be able to do that, but when that will be we really don't know. We will continue to monitor the situation and adjust as needed. Knowing that Phase 3 is not in the foreseeable future we have chosen to adjust the dates for the Summer Softball Seasons. We plan to still offer three seasons, but the seasons will be 5 week seasons, which means teams will likely be doubled up one or two weeks of the season in order to get all 8 games in within the five weeks. Please see below the new proposed dates for the softball season:

First Season: Cancelled

Second Season: July 6- August 7 (8 games/5week)  
Men/Women  
Registration now – June 26  
Fee: \$480

Third Season: August 10-September 11 (8 games/5week)  
Men/Women  
Registration July 20-31  
Fee: \$480 Early Registration \$530 Late Registration

Fourth Season: September 14- October 16 (8 games/5week)  
Men/Coed  
August 24-September 4  
Fee: \$480 Early Registration \$530 Late Registration

Sunday Night Coed League has been cancelled for this year.

Bill and Jeremy have been working diligently to get the fields ready for play. The fields and complex are looking great and we can't wait to see all of you back out on the fields enjoying a beautiful summer evening of softball.

Also, please know when the time does come, that first and foremost, the safety of our customers and staff is our highest priority. We will be implementing additional measures and precautions, as recommended by the CDC, and the State of Washington. We appreciate your patience and understanding at this time.

Until then stay safe and healthy!
